

**Indications:** The cooling action of the gel helps to reduce inflammation and relieve overworked, sore and tired muscles and joints.

**Directions for use:** On first application, apply the gel sparingly on a small test area of the skin. Apply the Deep Freeze Cold Gel to the affected area and gently massage until the gel is completely absorbed into the skin. Repeat up to 4 times a day.

**Storage instructions:** Store at or below 25 °C in a cool place protected from sunlight. Keep out of reach of children.

**Warnings:** For external use only. Use only as directed. Avoid contact with eyes, mucous membranes and inflamed or broken skin. Not for use with occlusive dressings. Not to be used on children under 5 years of age. Stop use and consult a healthcare practitioner if rash or irritation develops, or if symptoms do not improve within 10 days. Wash hands after application. This medicine has not been evaluated by the Medicines Control Council for its quality, safety or intended use.

**Each 100 g gel contains:**

Menthol 2.00 g

**Preservatives:**

Methyl hydroxybenzoate 0.18 % m/m

Propyl hydroxybenzoate 0.02 % m/m

**Inactive Ingredients:**

Isopropyl alcohol, carbopol 934 P NF,  
triethanolamine (85%), patent blue  
VE 131, purified water.

**Indikasies:** Die verkoelingsaksie van die gel help met die verligting van inflammasie en verlig oorwerkte, seer, moë spiere en pynlike gewrigte.

**Gebruiksaanwysings:** Wend slegs 'n klein hoeveelheid gel spaarsamig op 'n toetsarea aan met die eerste aanwending. Wend die Deep Freeze Cold Gel aan die geaffekteerde area en masseer dit liggies in totdat dit volkome deur die vel geabsorbeer is. Herhaal tot 4 keer per dag.

**Bergingsinstruksies:** Stoor by of benede 25 °C, beskerm teen lig. Hou buite bereik van kinders.

**Waarskuwings:** Slegs vir uitwendige gebruik. Gebruik slegs soos voorgeskryf. Vermoë kontak met oë, slymvliese en stukkende vel of vel met inflammasie. Moet nie met verbande bedek word nie. Nie aanbeveel vir kinders onder die ouderdom van 5 jaar nie. Staak gebruik en raadpleeg jou gesondheidsorgkundige indien uitslag voorkom, of indien simptome nie binne 10 dae verbeter nie. Was hande direk na aanwending. Hierdie medisyne is nie deur die Medisynebeheerraad geëvalueer vir kwaliteit, veiligheid of voornemende gebruik nie.
