Storage instructions:

Store at or below 25 °C
in a cool place
protected from
sunlight. Keep out
of reach of
children.

Medical Device: Class A.
Non Medicinal

50 ml

**Warnings:**

For external use only. Use only as directed. Avoid contact with eyes, mucous membranes and inflamed or broken skin. Not for use with occlusive dressings. Not to be used on children under 5 years of age. Consult a healthcare practitioner before use if you have poor circulation, nerve damage, a skin condition or are pregnant. Stop use and consult a healthcare practitioner if rash or irritation develops, or if symptoms do not improve within 10 days.

**Deep Freeze Muscle
Massage Roll-on Gel**

Indications: The cooling action of the gel helps to reduce inflammation and relieve overworked, sore and tired muscles and joints. **Directions for use:** Remove the cap. On first application, apply the gel sparingly on a small test area of the skin. Then apply the gel to the affected area and gently massage until it is completely absorbed into the skin. Repeat up to 4 times a day.
